Payment Policy

We, at Purath-Strand Funeral Home & Crematory have served families in this community for many years. We are a small business being totally dependent upon our clients for prompt payment. In an effort to keep our prices as reasonable as possible, and our services at a consistently high level, while meeting our obligations, we require payment in full at the time of need. For those individuals who are unable to pay in full at the time of need, we at Purath-Strand can offer alternative payment options through Tribute Pay. This includes Insurance Assignments, Loans and fund raising through their Crowd Funding program.

CASH ADVANCES

Unfortunately, costs for clergy, cemetery plots, grave openings, newspapers, and other costs of the funeral outside of our control, need to be paid before the funeral takes place. These people insist upon full payment at the time the service is performed. Unfortunately, these costs have gotten so high, that we can no longer afford to advance them for our families.

No cash advances will be made unless payment is guaranteed by funds from a funeral trust; an assignment on a life insurance policy; or a down payment equal or greater than a good faith estimate of the cash advance items.

Tribute Pay

Pay On-Line

Our new Tribute Pay service lets families pay for a funeral in a variety of ways, right on our website. We offer convenient credit card processing, electronic check payment, crowdfunding, life insurance assignments, and even flexible financing options. Tribute Loans

A quick and easy way to finance funeral expenses is through Tribute Loans. Application for Tribute Loans may be made on our web site. When approved a 4% fee will be added to the total amount of loan requested.

Tribute Insurance Assignments

We understand that funeral expenses are the last thing on your mind when grieving the loss of your loved one. To make things easier, we now offer Tribute Insurance Assignments as another funeral payment option. Learn more by calling us and we can assist you in submitting a claim.
